

### 1. Nom du produit

Cadre 1 point de fixation pour chaise suspendue Arcada

### 2. Code produit

82303065

### 3. Couleur

Voir l'image

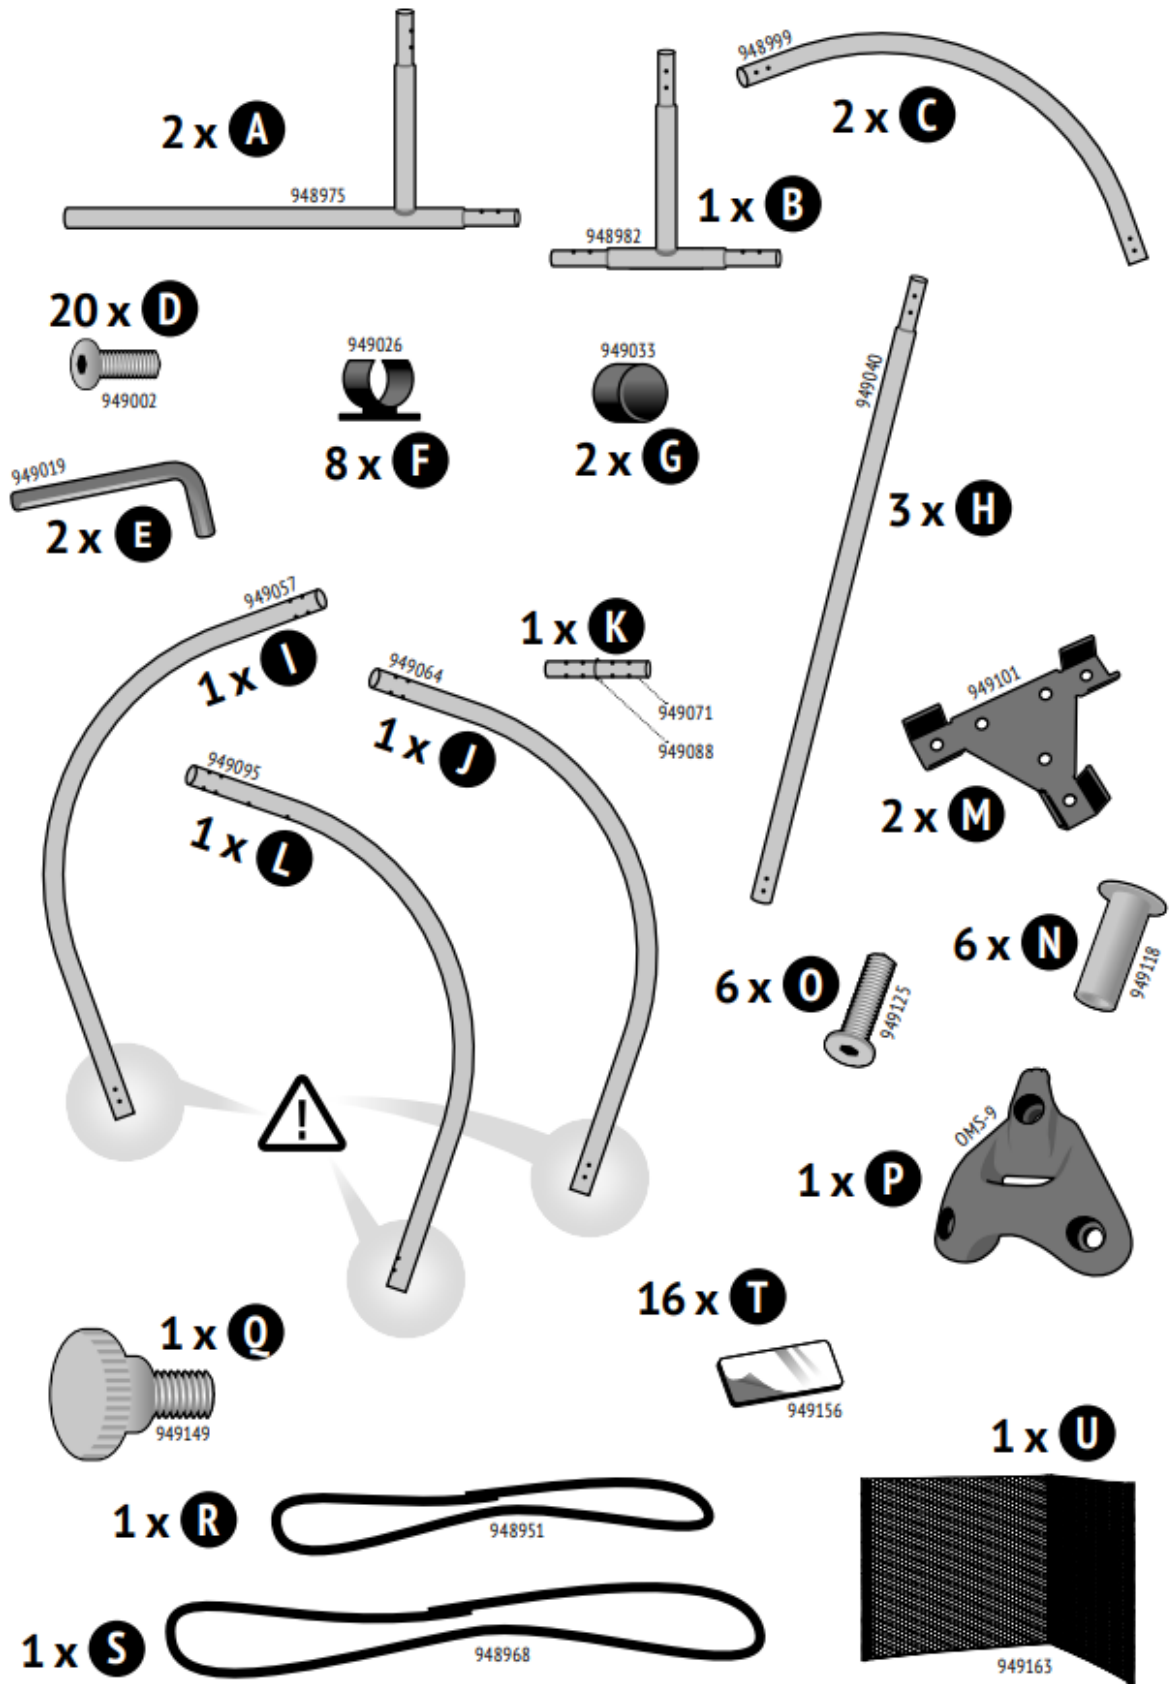

### 4. Brève description

Standard pour les chaises hamac (suspension à un point). Les tuyaux en acier enduits de poudre sont résistants aux intempéries et donc parfaits pour une utilisation en extérieur. Grâce à un système intelligent avec des crochets de mousqueton, la chaise suspendue est à la hauteur souhaitée en un rien de temps.

Le hamac n'est pas inclus.
